Friday - 17 January 1964

1. [] Met with David Martin, in the office of Senator Thomas J. Dodd, and delivered to him copies of Representative Cannon's remarks on the floor of the Congress at the time of the U-2 incident and a copy of the pamphlet entitled "The Central Intelligence Agency."

2. [] Met with Miss Adams, in the office of Representative Robert W. Hemphill, and discussed with her the case of [] I explained our employment procedures to Miss Adams including the arrangement for provisional clearances under which [] was being considered. I also gave her a letter to the Congressman which they could use in corresponding with [] Miss Adams said she thought it was regrettable that such situations occurred but said she thought our letter would suffice for their purpose.

She mentioned that Representative Hemphill is expecting an appointment to a federal judgeship and may not run for the Congress this year but said she thought he might be interested in visiting the Agency if this could be arranged. I told her we would be happy to have him visit us and would await her call after she has discussed the matter with the Congressman.

3. [] Talked with John Martini, House Post Office and Civil Service Committee staff, regarding the status of the Dual Compensation and the Federal Pay Bill. He said that both of these items would now require action by the Rules Committee and in view of the emphasis on the Civil Rights bill, he did not expect Rules Committee action on this until some time in February at the earliest. He also indicated that the new Administration's position of the details of the Pay Bill has not as yet been determined.

4. [] Received from House Defense Appropriations Subcommittee an original and one copy of the transcript of testimony of the Director and Agency representatives of 16 January 1964. One copy was forwarded to [] and one to [] for review.
